Planet Croxley

Planet Croxley

Our Planet Croxley initiative reflects our longstanding commitment to landlords, occupiers and guests of Croxley Park, to work as a collective towards a greener, more sustainable future.

We're proud to be actively implementing positive changes across the site to integrate environmental and social responsibility throughout Croxley Park.

The Hive

The Hive is Croxley Park's purpose-built, 10,000 sq ft amenities hub, designed for working, relaxing and socialising. It brings together a state-of-the-art Anytime Fitness gym, a two-storey lakeside café and a versatile Events Barn, creating one of the area's leading workplace destinations.

The 24/7 Anytime Fitness gym offers premium equipment, group fitness classes, private changing facilities and access to over 4,500 clubs worldwide.

The spacious café overlooks the lake, serving fresh, seasonal food, great coffee and free Wi-Fi for informal meetings or working away from your desk.

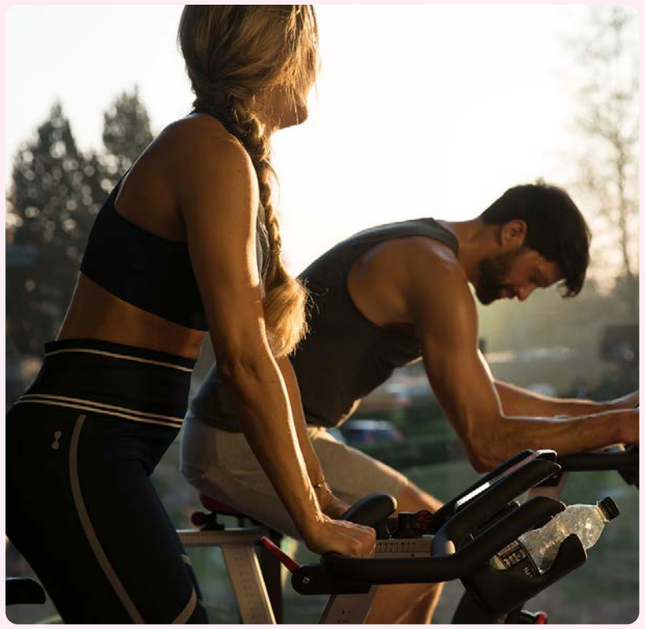

The flexible Events Barn hosts everything from business events to community activities, while a year-round programme of occupier events makes the most of the park's exceptional setting and helps foster a vibrant business community.

Additional Amenities

Croxley Park offers a wide range of amenities designed to enhance everyday working life, including free cycle hire, secure covered cycle storage, an on-site Amazon Locker, a complimentary Meeting Pod and the Croxley Direct 7-seater passenger vehicle, providing convenient transport for occupiers and visitors.

Families benefit from an on-site nursery with discounted childcare, while our resident beehives support local biodiversity and produce honey available to purchase in The Hive Café.

Events

Croxley Park has an ever-changing programme of events throughout the year as well as unmissable one-offs.

1 Summer Fête
2 World Cup
3 Pit-stop Challenge
4 Comedy Night
5 Sports Day

From the annual Summer Fête to sports days and flower arranging classes, there's something for everyone to enjoy.

To top it off, our dedicated events space, The Barn, offers the perfect opportunity to host private events, do some networking, and grow your business.

No two days are the same at Croxley Park. Our thriving programme of events makes the most of our setting and amenities, brings our occupier businesses together in a unique community, and gives you the chance to build your team and let off some steam.

Green & Sustainable

Communal Veg Beds

Our communal vegetable beds give individuals and businesses the opportunity to sponsor a bed, grow their own produce and get involved in hands-on, sustainable food growing within the Park.

Efficient & Renewable Energy

All new builds and refurbishments have achieved EPC B. We use renewable energy, and the new developments will have photovoltaic panels.

On-site Cardboard Baler

We recycle all cardboard, which we then sell to a local paper recycling facility for pulp. This generates around £1,000 per annum profit for the service charge.

Honey Bees

We manage two hives on the Park and our bees are thriving. They produce wonderful honey and educational opportunities for our local schools, and we're helping protect their dwindling numbers.

Car Sharing

Our dedicated car sharing site matches users' journeys and radio preferences.

Electric Car Charging

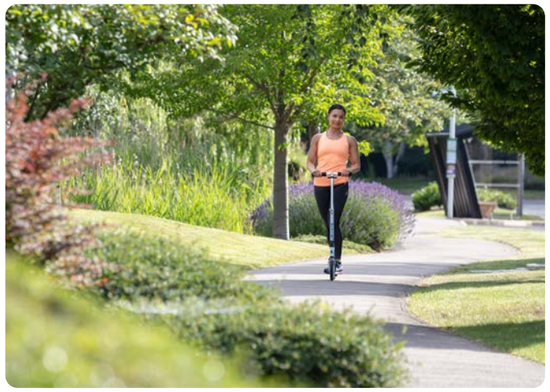

On-site electric car charging with the addition of some companies supplying their own charging points for their staff.

Rocket Composter

We use an accelerated composter for all food waste from every occupier, and this compost is then used in our landscaping.

Arrivals & Departures

Croxley Park is a well connected hub

Just two miles from Watford town centre, twelve minutes from the M25 and with an excellent car parking ratio, the Park is ideal for drivers. But it's equally accessible without a car, offering exceptional regional transport links including bus, tube and a free shuttle bus for occupiers. All of which helps you recruit local staff, and keeps you connected with the wider world.
